

# SUMMER INSTITUTE

for CHRISTIAN EDUCATORS

JULY 6-9, 2021

Summit Pacific College | 35235 Straiton Road, Abbotsford, BC V2S 7Z1

There will be **NEW LEARNING**, **GOOD DISCUSSION** and **PRACTICAL INITIATIVES** with a focus on **INTEGRATION OF BIBLICAL WORLDVIEW**. It has been acknowledged in conversations and in conference feedback responses that many administrators and teachers have a limited foundation of intentional and incidental biblical integration within their daily roles.

## **COURSE 1:** [Teacher Stream] **BIBLICAL WORLDVIEW INTEGRATION: CREATING THE CHRIST-SATURATED CLASSROOM**

The most effective Christian school classroom will demonstrate every day, in all areas of classroom activity, that Jesus is the one who holds all things together and makes all knowledge connected and meaningful.

## **COURSE 2:** [Administrator Stream–Advanced] **HUMAN RESOURCE MANAGEMENT**

Institutional personnel include board members, management, staff, and volunteers. Leadership is responsible for aspects of recruitment, hiring, training, developing, motivating, compensating and managing all personnel working for the organization. Human resources policies, principles, and procedures are examined for best practices. Due to the high number of potential volunteers in church and not for profit organizations, the elements of an effective volunteer program are determined.

## **COURSE 3:** [Administrator Stream–Foundational] **CHRISTIAN SCHOOL LEADERSHIP 101—INTRODUCTION**

In order to succeed as a Christian school leader there is core set of competencies, skills and knowledge that will empower the leader to flourish in their career. In this course Christian school leaders, both those interested in moving into leadership positions and those starting their careers, will have opportunity to learn the basics together. This course will be an invaluable addition to excellent leadership preparation.
